Index to Public Utilities Reports

(This section of the magazine, which comprises the decisions, orders, and recommendations of courts and commissions, is too voluminous to be included in this index. These reports are published annually in their entirety, in five bound volumes, together with the Annual Digest; copies may be obtained from the publishers, PUBLIC UTILITIES REPORTS, INC., Munsey Building, Washington, D. C., upon application.)

PUBLIC UTILITIES FORTNIGHTLY

Subject Index

- ACCIDENTS,**
Transportation smashups and labor turn-over connected, 693.
- ACCOUNTING,**
Customer contributions as charge against utility, 354.
Depreciation reserves in utility balance sheets, 574.
Original cost issue, 108.
- ADVERTISEMENTS,**
Gaining public acceptance for needed fare increase, 425.
- AMERICAN GAS ASSOCIATION,**
Annual convention at Cleveland, 529, 596.
Watchwords at AGA convention—"progress" and "responsibility," 656.
- ATOMIC ENERGY,**
Atom is still with us, 711.
Nuclear energy for power, 833.
- BIG BUSINESS,**
Fallacious public opinion about, 527.
- BONDS,**
See also Securities.
Historical trend of yields on utility bonds and preferred stocks compared with long-term government yields and money rates, 822.

Laws passed by 80th Congress, first session, 292.
- CONSERVATION,**
State regulation in gas conservation, 465.
- CONTRIBUTIONS,**
Customer contributions as charge against utility, 354.
- COÖPERATIVES,**
Co-op tax exemption—threat to free enterprise, 267.
Co-op tax issue again, 435.
Statewide phone service is co-ops' plea, 369.
- COST,**
Cost *versus* price—a management problem, 217.
Natural gas company cost units, 515.
- DEPRECIATION,**
Depreciation tax basis, 367.
Federal Power Commission technique and philosophy, 613.
Relationship to revenues, 101.
Reserves in utility balance sheets, 574.

PUBLIC UTILITIES FORTNIGHTLY INDEX

DISABLED VETERANS,

Use of, by public utilities, 29.

EARNINGS,

Consolidated Edison Company, 715.

Electric utility return on rate base not excessive, 304.

Historical trend of yields on utility bonds and preferred stocks compared with long-term government yields and money rates, 822.

Profit not without honor, 720.

Reducing profits and dividend payments as aid to stable economy, 303.

Selected utility ratios, 233.

Source and disposition of electric operating revenues, 447.

ECONOMICS,

Essence of economics, 112.

EDISON ELECTRIC INSTITUTE,

Confident and enterprising spirit features meeting, 44.

Statistical bulletin reveals industry's growth and plans, 308.

ELECTRICITY,

Adverse effects of Federal power monopoly, 811.

Call for government power policy, 314.

Charts showing production of electric energy, 375.

Collection of articles belonging to early inventor and lecturer on, 762.

English grid system, 431.

Esquire profiles inventor of alternating current, 523.

Farm power conferees see big job ahead, 643.

Flood control without power, 333.

Generating plant construction by leading power utilities of Pacific Northwest, before and after authorization of Federal system, 815.

Grass-roots sentiment does not favor an MVA, 547.

Highest line voltage on earth, 588.

Impact of Federal income tax a threat to private power industry, 309.

Kilowatt-hour sales and capacity, revenues, and property and plant, 178.

Measuring snow for power, 10.

Merry-go-round on power bills, 102.

New light on the heat pump, 184.

Nuclear energy for power, 833.

"Power" lobby, 711.

Production of, 587.

Rate indexes for consumer classes, 306.

Reclamation Bureau lists power expenditures, 439.

Return on rate base not excessive, 304.

Statistical bulletin reveals industry's growth and plans, 308.

Story of Clark Hill hydroelectric development, 285.

ELECTRICITY—continued

Tax burden on business-managed power companies compared with decreasing price of service, 718.

Wartime prices that fell—gas and electricity, 151.

What the state commissioners are thinking about, 234.

EMPLOYEES,

See also Labor.

Best use of freedom of speech, 15.

ENGLAND,

See Great Britain.

ENGLISH,

Plea for plain English, 23.

EUROPE,

Free enterprise and the clenched fist, 201.

Secretary Krug reports, 646.

EXPENSES,

Customer contributions as charge against utility, 354.

Source and disposition of electric operating revenues, 447.

FARES,

See Rates.

FEDERAL COMMUNICATIONS COMMISSION,

Phone bills stalled in Congress, 173.

Representative Jones of Ohio accepts appointment, 107.

Turnover in regulatory personnel, 301.

Video quiz due, 38.

Washington success story, 104.

FEDERAL POWER ACT,

Amendments to, discussion of, 679.

FEDERAL POWER COMMISSION,

Clarifying status of producers and gatherers of gas, 36.

Decision boosts Rizley Bill, 102.

End use of gas considered, 508.

House passes Rizley Bill, 171.

Jurisdictional problem of electric company in Connecticut, 679.

Merry-go-round on power bills, 102.

New FPC gas rule, 366.

Technique and philosophy of utility rate making, 613.

Trouble with gas, 648.

Where FPC is heading in gas regulation, 476.

FINANCING,

See also Securities.

Bull market in bonds ended, 818.

Financing building acquisition by lease, 278.

Problems for independent telephone companies, 211.

FLOODS,

Control without power, 333.

PUBLIC UTILITIES FORTNIGHTLY

FRANCE,

Experiments with nationalization, 520.

FREEDOM OF SPEECH,

How employees can best use, 15.

FREE ENTERPRISE,

Co-op tax exemption as threat to, 267.
Free enterprise and the clenched fist, 201.
Profit not without honor, 720.

FUEL,

Synthetic fuels—the new frontier, 518.

GAS,

Appraisal of natural gas industry, 514.
Burying gas in Michigan, 471.
Charts showing monthly utility gas sales, 307.
End use of gas considered, 508.
Federal Power Commission troubled with, 648.
House passes Rizley Bill, 171.
Industry plans for building domestic load, 524.
Meeting of Southern Gas Association, 118.
Mother Earth's storage tanks, 346.
New FPC gas rule, 366.
Revenues of gas industry, 517.
State regulation in gas conservation, 465.
Synthetic fuels—the new frontier, 518.
Underground gasification of coal at Gorgas, 486.
Utilization of natural gas in chemical field, 500.
Wartime prices that fell—gas and electricity, 151.
Watchwords at AGA convention—"progress" and "responsibility," 656.
What the state commissioners are thinking about, 234.
Where FPC is heading in regulation, 476.
Winning of the East, 709.

GOVERNMENT,

Call for government power policy, 314.
Expenditures grow apace, 312.
Norris, Tennessee: an abandoned experiment, 686.

GOVERNMENT OWNERSHIP,

Adverse effects of Federal power monopoly, 811.
Comments on Gunther's book, 179.
Grass-roots sentiment does not favor an MVA, 547.
TVA reforms for 1948, 365.

GREAT BRITAIN,

English grid system, 431.
Now everything is "utility" to the British, 750.
Problem of transport nationalization, 93.

HEAT PUMP,

New light on, 184.

HOLDING COMPANIES,

Commonwealth & Southern plan stresses intrinsic value, 652.
General Public Utilities analyzed, 446.
"Investment value" and "bundle of rights" theory in holding company proceeding, 444.
North American portfolio, 717.
Progress of integration, 372, 444.
Standard Gas & Electric plans, 653.
United Corporation plan, 585.

HUMAN RELATIONS,

Growing importance of, 376.

INSIDE U. S. A.,

Comments on Gunther's book, 179.

INSURANCE,

Security for light and power company employees, 768.

INSURANCE COMPANIES,

Liberalizing state restrictions on investments and greater salesmanship directed toward institutional buyers, 556.

INTERSTATE COMMERCE,

Jurisdictional problem of electric company in Connecticut, 679.
Taft-Hartley Act's bearing on transit operation, 399.

INVENTIONS,

Collection of articles belonging to early inventor and lecturer on electricity, 762.
Esquire profiles inventor of alternating current, 523.

INVESTMENTS,

See also Securities.
Venture capital is the spark, 114.

JURISDICTION,

Duplicate regulation by Federal and state authorities, 679.

LABOR,

Battle of New Jersey, 174.
Consolidated Edison reports to employees and their families, 182.
Fuller understanding of company operations, finances, and problems, 564.
Heads of unions gather, 513.
How employees can best use freedom of speech, 15.
Is labor telling stories, 522.
Jurisdictional strikes—idlewild pattern, 371.
Labor bills due in 1948 Congress, 511.
Laws passed by 80th Congress, first session, 292.
Man-power controls in a national emergency, 709.
Minimum wage hike seen as "sure thing," 712.
New labor law and wire services, 105.
New labor law, deficiencies of Taft-Hartley Act, 636.
